DREAMING OF A BOLD VISION

Dreaming of a bold vision, striking a non-violent revolution, creating ground breaking technology, thinking ahead of times - people who made a huge difference in the world have embraced change. At AGL, we have been leading the change by continuous innovation, setting higher goals, achieving the unthinkable and creating new benchmarks. This has enabled us to emerge as a 1145cr (group turnover) giant in the space decor industry. In the short span of 16 years, we are one of India's largest groups, with a global footprint across 53 countries globally.

UNMATCHED QUALITY

Quality is a key driver of progress for Asian Granito India Ltd. (AGL) and is an integral part of every process we undertake, from Marble & Quartz manufacturing to product delivery. Our quality policies are constantly upgraded to meet and exceed our customers' expectations. We are regularly audited by all our major customers, and strive to continuously improve our quality standards, as demonstrated by well-prized certifications.

Ever since our inception, we have built a reputation for delivering high-end products to millions of satisfied customers.

Our systematic and comprehensive Quality Management Systems are globally benchmarked and their rigorous implementation has ensured that our plants are ISO 9001:2015 certified by Intertek. We have also been accredited with ISO 14001:2015 certification for all plants, reaffirming our commitment to environment protection & preservation.

Regular quality audits at our plant ensure consistently high quality of raw materials and subsequent finished products.
